Career Market Day a Success

Eagleby Learning College have successfully hosted their first Career Market Day on Wednesday 24th March. We invited 20 companies to join us on the day, to present to the students what they have to offer, such as jobs, traineeships, apprenticeships and wide range of further education. Present on the day were Local Job agencies, MSIT, Griffith University, Animal Welfare League, Police Force recruiting, Defence Force, Ormeau Lions Club and traineeship/apprenticeship providers.

Many students gained a new outlook on where their pathways may lead to after their studies at Eagleby.

We would like to thank all the companies that took part in the Market day and to all that helped with the preparation.

Parent Participation Day

An invitation was sent out to parents and caregivers to join us on our first parent participation day. The day was to show what we provide here at the Eagleby Learning College and to involve parents in the school. Parents were hands on in woodwork, conducted an experiment in science making ‘goop’, participated professionally in business and after a busy morning, they were able to enjoy a morning tea.

Community Breakfast

As we are a part of such a large and fast growing community, Eagleby Learning College sent out an invitation to our local community organisations, Sarina Russo, MSIT, Academy Hospitality, Wesley Mission, Busy at work, Twin Rivers, Dittmann Engineering and Bert van Manen Local MP Federal Member for Forde.
