On Tuesday 30<sup>th</sup> of July Eagleby Learning College underwent a Teaching and Learning Audit from Education Queensland. This is a rigorous review of the educational quality being provided here at the College. The aim of such reviews is to provide feedback in order to continue to examine and improve our practices.

We are pleased to report that Eagleby Learning College received a fantastic result in this audit. In particular, Eagleby achieved "outstanding" results in our improvement agenda, a culture that promotes learning, our use of resources and our curriculum delivery.

The team at Eagleby Learning College are incredibly proud of this achievement as we are very passionate about our students and their education.

Please share this great result with your friends and family as this is the most effective way we can let the community know about the remarkable work being achieved here at Eagleby Learning College.

You can access the full Teaching and Learning Audit on our website.

# School Holidays

School holidays start on Friday 20th September. Students are expected back on Tuesday 8th October for classes.

## Logan Youth Expo

Eagleby Learning College was proud to have taken part in the Logan Youth Expo on 23rd July, allowing the public and students of many schools to gain knowledge and share what we do at ELC.

Logan City Council creates the event each year and produces an outstanding day for Year 10 students and the public. The event showcases what is on offer for students in their final years of schooling and how to get involved in traineeships/apprenticeships, courses for when they finish school.

## PCYC Breakfast Program

Eagleby Learning College would like to continuously thank the YMCA School Breakfast Program for providing our students with a healthy, warm breakfast every morning. PCYC does an amazing job supporting many students with breakfast and many other opportunities. Our students enjoy the program and appreciate it very much. Breakfast is the most important meal of the day!

Thankyou PCYC and your sponsors/food suppliers.

## Graduation

Graduation for Construction, Engineering, Year 10 and Year 12 classes will be held on Thursday 19th September commencing at 9.30am. Students graduating will receive an invitation to the Graduation from their class teacher.

## Fees

Parents, Guardians and Students. Fee updates have been handed out recently. Upon interview it was an agreement that fees were to be paid off by a payment plan or sorted out before week 5. Letters have been sent home and also a text message reminder. If you owe fees please talk to Caren in the office regarding a payment plan or to pay fees. A big thankyou to everyone who has paid their fees on time.

## Lost and Found

*Missing anything?*

If you have misplaced any items we have a lost property area in the office that is starting to fill up. If you find anything, could it please be handed in to the Administration, or if you have lost items whilst at the College, don't forget to check the lost property.
