

17th Jan 2022

Dear Parents and Carers,

Every year the college begin our classes a week later than "mainstream school". We are able to do this as we deliver our curriculum differently.

This is an update as to how our campuses will roll out for the start of the school year 2022.

The Premier and Minister for Education have outlined the following for the start of the school year.

Our senior students will start remote learning as of the 31st January, all other students will commence either at school or remotely on Monday the 7th of February.

The exceptions are as follows as of the 31st Jan.

- Children of essential workers on days when they are not able to be supervised at home, and no other arrangements can be made (Essential worker- any worker who must continue to attend their workplace for essential business during this time).
- Vulnerable children include children identified by the school or who:
 - are currently receiving services from Child Safety, including children who are subject to a child protection order.
 - subject to a youth justice order.
- Children in designated indigenous communities.

Finally, please ensure that your contact details (emails and phone numbers) are up to date as this is the best way for us to contact our school community.

We will update our Website and Facebook page accordingly.

Stay safe and healthy,

Miles Karipa
College Principal

Eagleby Campus
161 Herses Road
EAGLEBY QLD 4207
(07) 3382 9222

Helensvale Campus
Unit 1 46 Siganto Drive
